Ethnic Community Broadcasting funds are under threat

Ethnic programs could stop and radio stations be forced to close

This could happen by Tuesday next week, if the government agrees with a Commission of Audit Report

We need to let the government know that there has been 30 years of bipartisan support for ALL community broadcasting

Go to the NEMBC website so that you can sign a petition, or write a letter to members of Federal Parliament, before 13 May 2014

This is urgent and is the biggest thing affecting community broadcasting since it commenced
