12 noon	<b>Session 2: Funding and Grants</b>	
1.15 pm - 2.15pm Lunch		
Saturday afternoon		
2.15– 3.15pm	<b>Session 3: Speak My Language:</b> Learn how radio programs improve awareness amongst special needs groups for health issues associated with ageing to empower them to better manage their own care.	<b>Session 4: Enablers of Technology</b> This session will cover everything technology that you need to improve your reach with a focus on social media, webinars and better online communication.
	<b>Session 5: Become a Journalist and not just a Broadcaster!</b> In reality many Ethnic radio presenters are by default radio journalists.	<b>Session 6: The Importance of Regional Stations:</b> regional broadcasters and stations tell their story and how their Voice and Change can become our ACTION.
4.15	<b>Afternoon Tea</b>	
4.45.00 – 5.45pm	<b>Session 7: An Amazing Mindframe</b> The Ethnic community broadcasting sector is extremely culturally sensitive and doesn't report on suicide, but should we be respectful and discuss these issues? That's a big question?	<b>Session 8: Important issues facing our sector: identifying issues getting feedback:</b> What are the key topics that will determine the future of ethnic community broadcasting? We think its Youth, Women, Migration Seniors, Digital Technology and Yes of course \$\$\$\$\$. Are we missing something? Let's talk about this and plan the future
	<b>Plenary Conclusion and Presentation of Sessions</b>
